

NOW INTRODUCING THE

# ***Elemonader*** **ELEMONATE THE COMPETITION**

FROM

**Treat your guests to the “Traditional Favorite” fresh squeezed lemonade!**

The ELEMONADER by is an 8' x 10' fiberglass roll-off unit uniquely built to enhance any fair, festival, arts and crafts event, city celebration, concert and more.

Our ELEMONADER is designed to take product recognition and impulse buying to a whole new level!

**This highly visible concession acts as a focal point of sale, meeting destination, photo backdrop and a welcomed additional attraction to any event.**

Many events welcome our refillable souvenir cup as an added value to your patron.

Our fresh squeezed lemonade is made with the freshest natural ingredients (purchased locally whenever possible).

Our ELEMONADER is making a big splash throughout our industry and we would welcome the opportunity to team up with you at your event for the upcoming season.

## **SPECIFICATIONS**

Our ELEMONADER unit is manufactured to NSF (National Sanitation Foundation) standards and complies with all local and state Health Department requirements. The electrical requirements are a standard 110v power outlet and are in compliance with the NEC (National Electric Code).

**WE LOOK FORWARD TO HEARING FROM YOU**
